## Disciplinary Rules

We demand the highest standard of discipline and respect from all players, team officials and supporters towards each other, the KDFL and match officials will not tolerate or welcome any individual that does not abide by this.

### On Field Discipline

The laws of the games will be applied

The nature of a player's disability may be taken into account when making all game related decisions.

1. Any player that swears loudly and disrespectfully may be issued with an initial 'warning'. If this dissent continues the player will be **BLUE** carded and 'sin-binned'. Continuous dissent in this manner may ultimately result in a **RED** card.
2. Players who consistently foul will be issued a 'warning'. Should they continue to do so the player will be **BLUE** carded. Continuous fouling in this manner may ultimately result in a **RED** card.
3. Players who engage in violent or aggressive behavior will receive a **RED** card.
4. A player who commits a reckless challenge can receive a **RED** card immediately should the referee deem to offence appropriate.
5. **BLUE CARD:** Offending player is 'sin-binned' for 2 minutes of play. The timing of this is at the discretion of the referee. There is no limit to the number of blue cards a single player can receive in any particular match. (**NO** replacement player is allowed onto the pitch during the 2 minute period 'sin-bin').
6. **RED CARD:** The player is not allowed onto the pitch for the remainder of that game and is automatically suspended from the remainder of their team's games on that match day. **NO** replacement player is permitted for the remainder of the match in which the player has been sent off. **NB. All red cards will be submitted to the Disciplinary Department at Kent FA for processing.**
7. The referee's decision is final.
